Section K: Declaration

I solemnly declare that:

The Claimant was implanted with one or more ASR Implants.

The Claimant wishes to make a claim for compensation in this class action.

Attached are copies of required documentation, including Medical Records confirming the Claimant's receipt of ASR Implant(s) during Initial ASR Surgery, as well as Medical Records confirming the Claimant's Revision Surgeries, if applicable, Re-Revision Surgeries, if applicable, and Extraordinary Medical Complications, if applicable. Also attached are Labels identifying the catalogue and lot numbers of the ASR Implants received by the Claimant.

If I am not submitting the Claimant's ASR Implant Labels, it is because the hospital at which the Claimant's Initial ASR Surgery / Initial ASR Surgeries occurred could not provide me with the Labels because they are not in the Claimant's hospital medical records. As a result, I am attaching a letter from the Claimant's orthopedic surgeon confirming that the Claimant in fact received ASR Implant(s) during Initial ASR Surgery.

I make this declaration believing it to be true, and knowing that it is of the same legal force and effect as if it were made under oath.
