**NOTICE CONCERNING THE AUTHORIZATION OF A CLASS ACTION AGAINST  
THE ATTORNEY GENERAL OF QUÉBEC**

If you have been held in preventive detention on any date since February 19, 2021,  
while awaiting trial, and you have not been separated at all times from prisoners  
serving a sentence:

**You should read this notice**

On June 11, 2024, the Superior Court of Québec authorized a class action against the Attorney General of Québec on behalf of the following individuals:

**“Any person detained in Québec since February 19, 2021 in a correctional facility awaiting the outcome of their trial (while not serving a prison sentence in another case) and who has not been kept apart, until final judgment, from prisoners serving a sentence.”**

All individuals who fall within this definition are automatically members of the class without having to take any steps to register (the “**Members**”).

The class action seeks monetary compensation for the damages suffered by the class members, in addition to \$25 million in punitive and exemplary damages. The class action will be instituted in the judicial district of Montreal, in the file bearing number 500-06-001295-241.

## QUESTIONS OF LAW AND FACT TO BE DEALT WITH COLLECTIVELY

The questions of fact and law that will be dealt with collectively in the class action are the following:

- a) Did the Defendant systematically violate the Class members' right to be kept apart from Prisoners pursuant to section 27 of the *Charter of human rights and freedoms*?
- b) Where does the obligation under section 27 of the *Charter of human rights and freedoms* extend to in the correctional facilities, and does it apply to the transport of members outside the correctional facilities, for example, to the courthouse?
- c) In the affirmative, are Class members entitled to compensatory damages?
- d) Did the Defendant unlawfully and intentionally infringe the rights of the Class members protected by the *Charter of human rights and freedoms*?
- e) In the affirmative, should the Defendant be ordered to pay punitive damages under section 49 paragraph 2 of the *Charter of human rights and freedoms*?
- f) What is the appropriate award of punitive damages to punish and deter the Defendant's conduct?
